BLACK BELT ELITE PROGRAM

Students are selected to join this program based on their overall performance in classes and at gradings. Students must be green belt and above to be eligible for invitation. This upgrade class attracts an additional membership fee of \$20/week per student in addition to the standard SGMAA membership and runs twice weekly exclusively at our Kogarah branch. Students that are accepted into our BBE Program will need to purchase the Black Belt Elite dobok (uniform) which is available for \$120 additional BBE uniforms are also available for sale should students in this program wish to purchase another uniform.

UNLIMITED CLASSES

All students of SGMAA are permitted to train and attend all available classes on the timetable for their belt level and age group. In addition, all students of SGMAA are permitted to attend both Kogarah and Kingsgrove locations as much as they like. This means students of SGMAA can train up to 6 days per week if they wish to, for the one low weekly membership fee. When we say 'UNLIMITED CLASSES' we mean just that!
